A Spa Town in France by Louise

I went on a fantastic weekend trip to France with my family in April. Read about it below!

Day 1

We left our house at six o'clock in the morning. We went by taxi to St Pancras station in London to get the Eurostar train. Our train left on time, and very soon we were in Paris. In Paris, we took another train to Vichy. The journey was great. We arrived at our hotel at two o'clock and left our bags. Then we went to the thermal springs in the centre of town. At the springs, we tasted special mineral water that comes from volcanoes. The water doesn't taste like the normal water we have at home, but it's very good for you.

Day 2

Today we did a tour around the city on a tour bus. We went on a boat ride along the beautiful Allier river. And we rode bikes through the park. I took lots of photos with my camera. In the afternoon, we went on a tour of a museum. We learnt how the thermal water comes from the volcanoes to the springs.

Day 3

We had breakfast at 8.30 this morning because we had a flight in the afternoon. Before our flight back to London, we did a bit of shopping, and I bought some sweets for my best friend.

1. On day 1, did they leave their house early in the morning?

Yes, they did.

2. Did the train from St Pancras station leave late?

3. Did Louise arrive at her hotel in the afternoon?

4. Did Louise and her family take a tour of a museum in Vichy?

5. Did Louise buy anything on their trip?

6. Did Louise and her family go back to London by train?
