Hi Nicky,
 Are you going on the history trip this weekend? I haven't decided yet! If we go, we will have to wake up really early and I don't like that. But, what will happen if we discover something amazing during the archaeological dig? I wouldn't want to miss that. I have to decide today. Help me!
 Paul xx

Hi Paul,
 If you go, I (1) am / will go. When they find the treasure, I (2) want / like to be there. Also, if we (3) going / go we will get really good marks on our history project. Do you agree? Don't worry about (4) get / getting up early, I'll (5) giving / give you my alarm clock. So, are we going?
 Nicky xx

- Now write a response from Paul.

Don't forget to say if you agree with Nicky, thank her for the alarm clock and say if you are going or not!
