

# Self-Evaluation

Term 3

The activity area is enclosed in a rounded rectangle. On the left, there is a line drawing of a flower with five petals and a stem with a small bud. Below the flower is a line drawing of a plastic bottle with a label and a cap. In the center is a large, empty square with a dashed border. To the right of the square is a line drawing of a commercial airplane. Below the square is a writing line with the word 'smell' written in a dotted font for tracing.

- Colour the natural object yellow. Colour the man-made object green.
- Draw something you can smell. Trace.
- Draw six windows on the plane.
- Colour the happy faces.
